

# IT'S LIFE

(SE LA VI)

## Chorus :

I go and I'll come back.  
Don't cry, daddy's boy.  
You know that's life.

If today, I travel,  
It is because life capsized.  
I move  
So life doesn't fool me.

The dogs barking in the street  
Shall not die.  
When you throw them in the river,  
They will be washed up on the beach.

You want to eat coconut, yet you plant apricots.  
You walk in the mud, yet don't want dirty feet.  
My friend, you must know,  
You reap what you sow.

Life is beautiful, I wonder why you want to complicate it.  
One after the other we say the negro's bad.  
That's why I want to ask 'Lord,  
Tell me what is good and what is bad'.

One is jealous, one is mean and another's a fool.  
That's the way life is.  
Let us get together and understand each other.  
Let us get together and understand each other.
