

YOU ARE THE MOST BEAUTIFUL

SEW KI PLI BEL

Chorus :

Honey, you are the most beautiful.

I went to the ceremony,
I went to the neighborhood.
And the drummers were carrying me away.
I went to the ceremony,
I went to the neighborhood.
I saw men standing still, looking at you.
Even the women admired you speechless.
Caribbean woman, wherever you go, you shine
You don't need to wear make-up.
When you walk, my body freezes.
I feel like I'm getting weak.
You know you make my soul capsize.
The heat of your body is what I love.
The softness of your skin is what is good.
I tell you
Guadalupe woman you carry me away. X 2

I was playing a game of dominos with friends,
I was winning, I laid down the double 6.
Then, you passed by, everyone was bewildered.
I myself remained speechless.
I went by the procession,
I saw men as well as women standing in awe.
The heat of your body embraced me.
I felt weightless. Palam pam pam
