

# TITINE

## Chorus :

Déée Délala dédélala

Titine is a light skinned girl that loves to live.  
She's not a sour woman, she smiles and all is well.  
Titinel O loves to dance.  
Titinel O loves to sing.  
Titinel O loves to play.  
Wo Titinel O never cries.

All together : Déée Délala dédélala

Titine, what's wrong ? I hear you are ill with cancer.  
Your body is weak, we must stick together.  
Those who suffer never complain, and Titine never cried.  
She always smiles so noone feels gets upset.  
dédéadélala

Even when illness strikes, Titine never worries.  
She sends it away, her Gwo Ka can save her.  
Titinel O she dances  
Titinel O she sings  
Titinel O she dances  
Watch Titinel O she doesn't cry, all together

Every day on this Earth, people suffer, people die from cancer.  
We need to reach out and give hope for the next day.  
Let us lend a hand, so they'll have hope for tomorrow.  
Let us lend a hand, so they can be strong like Titine.

“Hold on”  
Titinel don't cry, no.  
Don't cry.  
Enjoy dancing  
Enjoy dancing  
Hold on Titinel, hold on,  
Hold on Titinel, don't cry, no.
