

# SEE FAR AHEAD

(VWE LWEN)

## Chorus :

Look forward. Don't look back

The moon lights my path.

Today, no one knows tomorrow.

Whatever happens was already written.

Life leads to death which then leads to life.

Mother's advice is the butterfly's flower.

Those are the good words you hear.

Below the earth, there is no pleasure.

Let's do our part every day.

The beach is not far, I'll walk until I see the dawn.

So I can pursue my destiny.

Even in the dark, I'll walk without stumbling.

Your advice, to me, is the butterfly's flower.

What You build cannot be undone.

Thank You, thank You, thank You, thank You. The sun is shining.

The branch's blossom brings the seed that will dry.

You see it drop today, tomorrow it will grow.

That is the reality of life.

That is what makes my heart shine.

I would have loved for my father to be here.

Thank You, thank You, thank You for all You bring me.
